Recess, Dismissal, and Weather:

With the weather changing, please be sure to send your child to school with a coat, hat, and gloves. Unless the temperature/wind chill is below 32 degrees, we will have outdoor recess.

For dismissal on rainy days, car riders will wait inside and be called out from the bleachers to the car line by a staff member. Walkers will wait under the awning (rain)/inside atrium (freezing temps) and be dismissed through the front doors. Staff members will walk students out to parents.

From Nurse Gwen:

Ever wonder if your child is sick enough to stay home or if he/she should be in school?

Keep your child home and call your doctor if:

- The child has a temperature of 100.0 F or more
- The child has vomited within a 24-hour period
- There is a persistent cough
- There is a bad cold or virus with symptoms of nasal discharge or persistent cough
- There is a virus with vomiting, stomach cramping, or diarrhea, etc.
- Eyes are red, irritated, itching, or painful
- There is a skin rash that is itching, spreading, or worsening
- There is head lice or nits
- A severe headache that is caused by an injury or fever
- There is a bad sore throat for 3 days or longer or there is a sore throat and a rash
