From Nurse Gwen:

Happy New Year Families and Caregivers!

It's that time of year again...**FLU SEASON.** Here are a few tips to keep everyone healthy!

- Consider getting your flu shot!
- There is still time. The flu season lasts through March and according to the CDC, this season is on track to be severe.
- Wash your hands well and often. Hand hygiene is the single most important step you can take to prevent the spread of germs.
- Keep sick students at home. Students **should be fever and vomit free for at least 24 hours before they return to school.**

As always, do not hesitate to contact me with questions.

Thank you!
